FALL 2020 NEWSLETTER

A few days ago my younger daughter called me. She was on her way home from her anatomy lab and wanted to talk with her daddy. Blessed me! She was commenting on how beautiful the day was in Auburn while being captivated by the beauty of a pink flower. She was in the midst of living a dream for which she had hoped and worked hard. Notwithstanding obstacle after obstacle and road block after road block, my daughter was now in her first year of vet school. She never lost hope she would, eventually, get there.

Hope is a fragile feeling. It can easily come and go. In the world in which we live today, especially in the United States, the “enemy” challenges our hope daily. The “evil one” wants to destroy our hope so we become a vulnerable soul, not one protected by the Light of Jesus Christ. To combat these attacks, we constantly need to be reminded from whom our hope comes. And so, Lord, where do I put my hope? My only hope is in you. Psalm 39:7 NLT. This is the hope that must be kept alive.

To do this, 24 hours a day – 7 days a week – 365 days a year, **Missionary Radio** provides our listeners constant reminders of what God has promised – eternal life through His Son, Christ Jesus! Reminders of His Promise through Christian music and programs are the weapons **Missionary Radio** uses to combat the “evil one’s” attacks to destroy our souls. Because of your generosity and loyalty, **Missionary Radio** is entering its 40th year of this battle. **Missionary Radio’s** team, manager and Board of Directors are grateful to you. My guess is your generosity and loyalty is pleasing to The Lord, too!

Once a year, **Missionary Radio** dedicates a few days to raise the bulk of its operating budget for the coming year. So, in order to continue God’s Work, from 6:00 a.m. to 6:00 p.m. on October 8th & 9th, **Missionary Radio** will be asking for your financial help. In light of all that is presently going on throughout the world, the theme chosen for this year’s Care-A-Thon is taken from the lyrics of the song You Keep Hope Alive by Phillips, Craig & Dean.

I ask you to help **Missionary Radio** keep hope alive by:

- Praying for the Lord’s guidance as to how He wants you to help Missionary Radio
- Mailing your faith pledge to **Missionary Radio**, PO Box 1029, Hopkinsville, KY 42241
- Giving online at www.WNKJ.org by credit/debit card
- Becoming a member of the Firm Friend Club at www.WNKJ.org
- Calling (877) 885-9655 during the Care-A-Thon with your gift
- Calling the testimonial line at (270) 962-4055 to share how The Lord is using **Missionary Radio** in your life

If you are a new listener to **Missionary Radio**, I ask you to become a part of the **Missionary Radio** family. If you are like me, then the joy of giving will fill your heart and you will know you have become a part of something larger than yourself! You will be a part of ... keeping hope alive!

May God bless and guide you.

Maranatha!

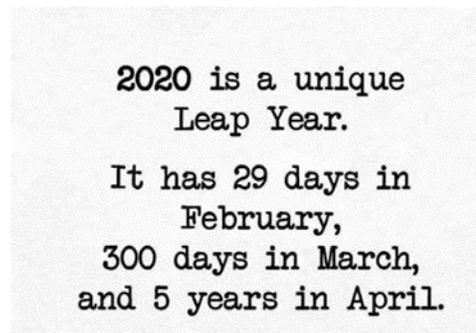

George R. Fleming, Jr.,

President, Pennyryle Christian Community, Inc.

Care-a-thon 2020 “You Keep Hope Alive” is on the Calendar

This meme from a Facebook post depicts how many feel about 2020 so far:

Can I get an amen?

We hear that we are to get used to the new normal. About the time this new normal sets in, social distancing, masks, homeschooling when you didn’t plan on it, drive-in church worship, going live on FB for worship, no sports, well, you get it because you are living it.

Throughout the pandemic I have spoken with pastors and other spiritual leaders about the morale of those they serve and those they connect with. One of the overwhelming comments is that many feel hopeless. If our focus is on the constant changing culture, then one could feel hopeless. If one’s hope is in the government or some politician, then one could feel hopeless.

This entire time your radio missionaries here at 100% listener-funded **Missionary Radio** have endeavored to share Hope. His name is Jesus! Across the United States many were looking for hope and record numbers turned to Christian Radio. I don’t know the exact numbers, but I do know that more started listening to **Missionary Radio**. I can say that based on the contacts we received and those who responded financially to **Missionary Radio**. The Lord keeps hope alive.

Two times a year we come to you to ask you to partner with us to keep live and local **Missionary Radio** proclaiming the only hope, and He is Jesus Christ, our Lord and Savior. Because of your prayers and gifts, we have been here the whole time proclaiming hope to Kentucky, Tennessee and around the world through our ongoing partnership with TWR (Trans World Radio).

Our annual Care-a-thon is set for **Thursday and Friday, October 8th and 9th** from 6:00 a.m.-6:00 p.m. each day.

(Continued on back...)
