SPRING 2018 NEWSLETTER

Dear Listening Family of WNKJ/WNLJ

Greetings from Cadiz! As I write this, I just got back from our WNKJ/WNLJ quarterly board meeting and I'm excited! We had a chance to reflect on how the station has been used the past 36 years to further God's kingdom, how He's faithfully sustained us and also we talked about the opportunities that are before us right now.

The station began with a great vision by our founders. They sacrificed. They walked in faith. Yet, they were told that a Christian station could never make it in such a small town. The naysayers failed to take into account that when the Lord is in something, it is impossible to stop it. God faithfully provided then. And He still provides for us today!

This reminds me of the humble beginnings of Billy Graham. The Lord gave him a dream to share the gospel. He was asked by his Bible College professor to speak at a church on his behalf and after delivering his first sermon a member of the church came up to him and said "Boy, you better go back to school and get a lot more education because you're not gonna make it." That church member didn't know that God had plans to use Graham in a mighty way.

Some are lamenting that there will not be another to fill Billy Graham's shoes. He had an amazing impact on countless others and his was a great loss. But may I challenge you? If God could use a country boy from North Carolina who lacked confidence at first, but was faithful, can He not use ordinary people like you and me to labor in the kingdom? I believe that the challenge is now upon each one of us to share and live out the gospel of Christ. Our world desperately needs it.

We believe the ministry of Missionary Radio WNKJ/WNLJ is part of important kingdom work here in Western Kentucky and Middle Tennessee. As you know we are broadcasting some of the best Christian teachers in this region. Believers are growing in the faith. The lost are responding to the gospel. And we are a witness to a culture that is rejecting God's truths. But we cannot do this work without your prayers and financial support.

So please pray for us. We need your prayers. Also, please consider a financial gift if you have not done so this year. Our upcoming Spring Friend-raiser is April 13-14 from 6:00am - 7:00 pm. The theme is "**Come to the Table.**" Please pray for a good response and that the Lord would provide for our needs in 2018.

Thank you and May God bless you!

Richard Nelson

Friend-raiser 2018

Everybody wants more friends! The fact is, without our friends in this ministry we would be finished, caput, over, done...you get the idea if you're still reading this. Our entire budget is from our listening family. We have two major fundraisers a year. One is the longer one (by one day) called Care-a-thon during the first weekend of October, and now for the 5th year our "Spring Friend-raiser." Since we raised just over 50% of our budget during Care-a-thon and taking into account that funds just about dry up in the summer, our friend-raiser is absolutely essential for the ministry of Missionary Radio, WNKJ/WNLJ.

We are inviting those who are already our friends, have listened some for years but to date haven't joined the supporting team. Secondly, we are asking for new friends to join the supporting team, and thirdly we are asking those who used to share with us but have stopped for whatever reason to rejoin the supporting team. We will go for two days only, Friday, April 13th and Saturday, April 14th from 6:00 a.m.-7:00 p.m. You can help us now. Would you start a monthly faith pledge if you haven't already? How about a monthly faith pledge along with a single gift? We are indeed 100% funded by our listeners. There are no hidden sources of the needed \$1,500 plus a day to operate the stations and their translators.

Our theme for the two days is "**Come to the Table,**" which is a song by "The Sidewalk Prophets." In addition we will have a special guest with us for the two days that isn't a stranger to you. His name is John Summer-ville from our partner ministry Trans World Radio. John will be on the air to help us, share good ideas, and to keep us updated on the worldwide ministry of TWR.

Would you please help us out?
