Spring is about "sprung"

The first thing on our agenda is a day of prayer. Our "Spring Family Prayer Day" is set for Thursday, March 22 starting at 6:00 a.m. and will go to 6:00 p.m. We will suspend all regularly scheduled programming and will be joined by local and regional pastors to pray over prayer requests and celebrate with you in answered prayer. Also, we invite you to come by and pray with us, or just pay us a visit. Our studios are located at 1100 East 18th Street in Hopkinsville, KY. The numbers to call are: locally 270-886-9655 or toll free 877-885-9655 or online at www.wnkj.org.

We also pray during the day together as a staff at 9:00 a.m. and at noon. You may send us your prayer requests at prayer@wnkj.org, call the above numbers, and in addition you may use this number to leave a voice message for either a prayer request or an audio celebration report. That number is 270-962-4055.

Missionary Radio and Trans World Radio Bonaire Shine 800 AM

It's official! Trans World Radio "Shine 800 AM" is broadcasting nightly from the island of Bonaire with 450,000 watts of power! In order to see the entire coverage area, please go to www.twr.org/bonaire. Tammy and I were on hand January 30 in Bonaire along with others from around the world for the "turn up" dedication of the transmitter. If you're a regular listener to Missionary Radio you more than likely heard several reports from Bonaire both from TWR and us!

Our support continues for "Shine 800 AM." We are sending 10% of the proceeds from the fall Care-a-thon which is being used to help operate the station.

Thank you for your prayers as we continue to partner with TWR.

Happy Easter

The reason we have hope is the resurrection of our Lord Jesus Christ! The worst enemy has been defeated. 1 Corinthians 15: 55-58. We are glad to serve our resurrected Lord with you daily. Happy Resurrection Day from: Tammy and Ken Cummins, Gail and Don Griffey, Joe Barner, Roy Cavender, Ronny Fuller and Kenny Bates.

We are still funded by you

We remain 100% listener-funded. This means you are our only source of income and that represents an operating budget of \$550,000. Through your faithful giving we have been able to this point to broadcast without stopping to air numerous underwriting announcements. Thank you.

Would you consider partnering with us? You can go online at www.wnkj.org, click on "give" and use Cornerstone Payment Systems or you can become a firm friend by joining "The Firm Friend Club," which is an automatic bank transfer from your account to ours. All the necessary information is online or if you don't have access to the internet, call us during weekday business hours at 270-886-9655 or toll free 877-885-9655 and we will send you what you need.
