Ways to respond to Care-a-thon

One way is by returning the enclosed faith-pledge card in the self-addressed envelope. You might choose to go online to www.wnkj.org and make your faith-pledge there. You will see the pink "make a faith-pledge" icon, or click on "give."

When you click on give you will notice the "Firm Friend Club." You can set it up with your bank for an automatic deposit into our account. You may choose either for your chosen amount to come out on the 5th or 20th of each month. There are documents to fill out which can be downloaded on the website under the "Firm Friend Club." If you don't use or have access to the internet, please call us during business hours Monday-Friday between 8:00 a.m. and 4:00 p.m. at 877-885-9655 and we will mail you the required documents.

Another way many have chosen to join us financially is by setting up recurring gifts through "Cornerstone Payment Systems." All of these are found again at www.wnkj.org. If you prefer to use your smart phone you may text 270-208-0688.

You may always write to us at PO Box 1029, Hopkinsville, KY 42241. Call us at 877-885-9655 Monday-Friday between 8:00 a.m. and 4:00 p.m. and we will be glad to help you that way too.

Join us for the on-air presentation of the "Believe" Care-a-thon, Thursday, Friday and Saturday, October 3-5 from 6:00 a.m.-7:00 p.m. on 100% listener-funded **Missionary Radio**.

Let's testify

You can encourage others to good works with your words of encouragement. Please call 270-962-4055 and share how the Lord uses **Missionary Radio** in your life. It could be a song that ministered to you, a broadcast, something you heard one of us say or a way only you know. If you are a regular giver to the station, please share why you give and encourage others to join us. Your message will be used during the "Believe" Care-a-thon October 3-5. Again, the number to call is 270-962-4055.

Thank you for your prayers and financial support of 100% listener-funded **Missionary Radio**.

Welcome Gator

"We are all missionaries. Wherever we go, we either bring people nearer to Christ, or we repel them from Christ."

This quote from the Scottish Olympic Gold Medalist has been a driving vision for me since I first studied the life of Eric Liddell. Like many of my generation, I was first exposed to Mr. Liddell in the film, "Chariots Of Fire," and I immediately wanted to do two things: I wanted to run like him and I wanted to have the spiritual foundation that he possessed which made him the solid man of conviction that he was.

But the following years proved challenging for me to maintain those goals. I eventually stopped running track and I eventually started running adrift from God's desired path for me. But as the Lord is prone to do, He continued to pursue me until I turned back around and allowed Him to direct my life course.

Since this renewal of my commitment to run God's race and not my own, I have focused my life toward following the example and the teachings of Jesus, including His command to "Love God and love people." This plays right into His commission to share God's love with anyone who needs to receive God's amazing Grace and Mercy.

Joining the **Missionary Radio** team was a natural step in my journey to be a Missionary to those whom I interact with every day. It is with this objective clearly in front of me that I seek God's strength each day to run the race and to bring people nearer to Christ.

(...Continued from front)

If you have contributed to **Missionary Radio** in the past, thank you. If you are a member of **Missionary Radio's** Firm Friend Club, thank you. If you've made your gift through **Missionary Radio's** website (wnkj.org), thank you. If you have returned this year's pledge card to **Missionary Radio**, P.O. Box 1029, Hopkinsville, KY 42241, thank you. If you are considering financially supporting **Missionary Radio** for the first time, I ask that you do! Once you have contributed financially to **Missionary Radio**, you become part of its family. You become a part of something larger than yourself!

In contemplating how you should help, I Believe Our Father will guide you as to how He would have you support **Missionary Radio** if you ask Him, so please do.
